3 A.M. I read it  
Your room is empty  
I'm saddened  
Out in the heat  
She bought it  
You wake up one way and stay there

She can't reach your wages  
But she visit your hotel rooms  
She can't share your stages  
But she can service your back room

I don't wanna know you, if you give me dead eyes  
I'd hate to have a body what was stuck with dead eyes  
The things you said, were just not right

I don't wanna know you, if you give me dead eyes

I don't wanna know you, if you give me dead eyes  
I'd hate to have a body what was stuck with dead eyes  
The things you said, were just not right  
I don't wanna know you, if you give me dead eyes

I'd like to see this end, I'd like to see this end, I'd  
Like to see this end, I'd like to see this end
