Right now I'm startin somethin', I don't mean to
I try to keep to myself, no confidence
I grew so sick of talking every other day
Show me a masterpiece to help right down insane

Wooooohoooooooooooo ooooo ooo oo oo
Wooooohoooooooooooo ooooo ooo oo oo

My hands are tied so hard I can't feel my feet
You know you've been lied to for dollar sake
You two get so smug it makes me think I'm less
You grease your pocket broken win art contest

Wooooohoooooooooooo ooooo ooo oo oo
Wooooohoooooooooooo ooooo ooo oo oo

Go ahead, say I'm nothing
It's private, no one hears you

Go ahead, say I'm nothing
It's private, someone else hears you

Tell me, am I really going nuts
You'd know all these stars I think your normal
Noooooorrrrrmal

Wooooohoooooooooooo ooooo ooo oo oo
Wooooohoooooooooooo ooooo ooo oo oo

Go ahead, say I'm nothing
It's private, no one hears you

Go ahead, say I'm nothing
It's private, someone else hears you
