I, I've noticed certain patterns starting  
I wanna be your friend  
Ohh... it hurts unlike a question  
Do I want it so open?

I worry, worry a lot  
It's much too much  
And I'm mad it happens  
I do care, I really do  
I don't know you enough to tell you

Why do the hours kinda kill me?  
Just slap me on the face  
No, I have actually lost sleep

A stupid little tick

I worry, worry a lot  
It's much too much  
And I'm mad it happens  
I do care, I really do  
I don't know you enough to tell you  
I don't know you enough to tell you

Woahhh

Pop a bottle on the door, it's reassurance  
I'm inspired by the way that you word it
