[Lil Haze]

Well, I'm fly as a son of gun son of a trucker

Yeah, high as a 757 arriving at heaven

Who, Lil' Haze. ya reverend, preach about me

I'm a god, volume 1 - 7, A through Z

Haze Machiavelli, ya'll ain't ready

Quick fast like Tom Petty, yall just petty

89 I was born ready, I'm too ready

I don't affiliate with baller blockers I'm to heavy

All black Lamborghini top is heavy

Seats baby blue, 24 the shoe

Who me and you got plenty to do

I don't need no pool I swimming in you

And I slept with the whales shawty on that ocean

And the Beamer ain't two hundred fifty mama shake
for me

And it don't make sense if you can't make money

I'm a make money, I'm straight Cadillac pimping (Hey

Wit dough only thing we don't act like yall

Yall lil busta just a tax write-off
I'ma stand up guy not the type that falls
We don't bleed them kind but they bleed just fine
Yeah, Haze the dime, homie read between the lines
If ya can't boy read my nine
I'm goin hard in a paint like Diesel time
Either I'm the illest boy doin it or these youngins is losin it
Aww be easy, fall back and be cool wit it
If Paul Bearer is moving his dead flow, I'm doin it

[Hook]

An old school pimp, mack like the 80s
I look like Delores, act like Tony
Yeah, you play wit me I react like the navy
Or better yet the army you gon need them for me
Yeah, and your head is the red beam target
You don't want me to see you wit my peekin Lincoln
Lil Haze, I sleep in Maywood
Creepin wit women that creep wit the Bulls
Yeah, a city boy is something foreign
Bout a hundred thousand more than what you're in
Ya not bout it you freeze up like popsicles
Pop up on bicycles, pop yall like acne pimples
Still Lil Haze but the dividends not little
Don't be surprised how the crown fit me
Uh get down uh get down
