Kids I the playground turn their backs Just cause we're
all outta wack
Itts our fault kemesha sits alone
No Texts comin on this girls phone

Were going East West North and south
So kemesha got one ugly mouuuuuth

The retainer baby X2

Now it's straight thanks to these braces But all the kids
still make faces
Cept one boy who gives a grin
Cause he can see past all this tiiiiin

Were going north west east south so kemeshas got one
ugly mouth
Retainer babeh
Retainer babeh babeh
