Tell me in the eyes that's what all remember  
My hit to beat you Miami when it's warm in December  
I hang with the best... is a winners  
The life of a star this is a... agenda  
Living when you around hate it when I'm not with it  
If the things don't believe it I'll put it on my Twitter  
Reminiscent but the snow fights in the...  
Staying up they do not... at this... in the road  
Thought you don't like when I go  
I love you smile when I return  
This get time and now we on  
We're living and we lie girl  
That it was sticking and slow  
I will give you my jacket then my... to express my love

Chorus:

You're all that I need yeah  
Ain't no other place I'd rather be yeah  
You might say that I'm too young and in love love  
And you see love and every time I...

So it's so winters cold and so winter cold  
It's so cold and... so real  
It's so cold and... so cold like the...

... whenever we spend in time apart  
Get you the frontest up different designers scars  
He's been a great ride  
And I ain't try to pop plus I'm your GPS  
Wheneevr your mind is lost  
Is coming talk when you're missing 'cause you're my  
sunshine  
We keep it real for each other no need for punch lines  
Girl you hide enough to start a fighting when you...  
Remember I ain't kind you been... I'll be simple  
Or maybe shuck you... even people be together  
Do any take the weather but however  
If we be sticking them storm  
I would give you my jacket and my gloves to express  
my love

[2 x Chorus:]
