U got ma heart punding. U kno I luv baby.
U kno I'm ryt for u. I take a bullet for u.
I call u number 1. U like the only girl,
I liked like crazy baby. I luv talking to u.
I luv that u gave me another chance to gain ur trust.
Hope time is on ma side. U ma wife for ever.
Well you was. I don't like u cuz u pretty.
It's cuz u honest, you amazing and trustworthy.

If I was abt to fall baby. Wud u hold Kay.
Ma world is crashing. ma queen is missing.
Ma heart is pounding. ma heart is crashing.
Ma heart was made for ya. ma...
Ma, ma heart was made for ya. u ma baby girl.
U ma bay. u ma queen. U the queen of ma world.
I ain't lying baby. U gotta believe me.
It's her fault. But this gave me the chance to appreciate
u.
Now I kno u more special. Babe u soo hot.
U a hit in ma life. We share a lot in common.
Just that u white and I'm black.
Girl I swear u got me speechless.
Girl I swear u got me sad. Girl I swear I'm feelin bad.
And please forgive me I will never do that.

If I was abt to fall baby. Wud u hold Kay.
Ma heart is pounding. Ma heart was
Made for ya. I'm feelin outta touch.
U keep dat smile on my face.
My life is nothin without u in it.
U said u was just falling in love with me.
I so hate that nite. I call it 2.20.11 is ma enemy now.
The best thing bay is u funny. U got ma bak.
And everyday u help me. U got ma heart punding.
U kno I luv baby. U kno I'm ryt for u.
I take a bullet for u. I call u num 1.
And u always (6x) keep that smile on my face.
