Chorus:

When my world was crashing all around me all my
hope was gone, I was drowning in darkness, barely
hanging on, out of the shadows you appeared, and
helped me breathe again, so when it all goes to black, I
won't start to fall, Cause I can find you in the shadows.

Verse:

Every- everybody didn't like me. All the people hated
me. But u was ma only hope. I really
Thank u for that. Nobody liked me for me. Everybody
wanted me cause I was Lil saggy. Call
Me jet rashad. And I know u like me for me. There's no
girl like u. You re
Special baby. You amazing boo. I'm just saying. u re
cakey. It's always a
Celebration when I text u. Miss u be looking like a pearl
everyday. I wanna kiss you soo bad. I will go insane for
you. I'm
So dark ryt now. u bringing the light outta me. I have
nothing else to say
But thank you miss. and I really like you. you make me
speechless

Chorus:

When my world was crashing all around me all my
hope was gone, I was drowning in darkness, barely
hanging on, out of the shadows you appeared, and
helped me breathe again, so when it all goes to black, I
won't start to fall, Cause I can find you in the shadows.

Verse:

It's Christmas for us. hey boo, can I get your picture, I
wanna show Santa, that's what I want for
Christmas. Always wanted to tell u close to your ear
and softly that U the best ever.
U like a theme park. U be making me think dirty. Ma
goal all day is to make u happy
Everyday. She calling me boo and I love that. She be
saying I'm her husband. Ask
Facebook. And she ma wife ain't even lying. missing

her is what I do. Thinking about
Her is a hobby. I give her that good night kiss. I wanna
be passionate. She make
Me feel complete. And I love talking to her. God prolly
made you on vals day. and I don't know what to say
about her cause she's special

When my world was crashing all around me all my
hope was gone, I was drowning in darkness, barely
hanging on, out of the shadows you appeared, and
helped me breathe again, so when it all goes to black, I
won't start to fall, Cause I can find you in the shadows.

Verse:

Saggy really like you. U make my day. I love that text
kiss. I'm just saying no
Offense to the others. God made u for a reason. We be
loving for sho. U be
Keeping the smile on ma face. Girl I'm happy cause I
never felt this way. I ain't
Even about to start tripping. U be making me shine. Call
me T. Edison. I be thinking
About u in school. I be getting dumb in school. Straight
A student. U on another
Level. I can't describe. I swear I can write an essay and
win a million dollar
Scholarship about the day we first talked and how I felt.
U might think I'm
Wilding but there ain't no tigers here. It's me and u and
F*** every hater. I
Promise u the best ever.
