Intro:

I am so jet fly

Chorus:

He used to be her best friend. But as she was growing.
She didn't like him anymore. When he was on her...
He used to be her best friend. But as she was growing.
She didn't like him anymore.
When he was on her last nerves she killed him.
Yea she killed him. She killed him.
And I screamed to the world she killed Elmo.
Damn she killed Elmo. Damn she killed Elmo.
She killed Elmo. Damn she killed Elmo (3x)

Verse:

She liked his song. and everything he did.
She never missed an episode. They were best friend.
Her fav was TMX Elmo. They cuddled at night.
He put the love of monsters in her.
She used to live on sesame street. Eat sesame bread.
Her fav world was Elmo's world. She had a crush on
Kevin clash.
A man with cash. She had one wish. Just To see him in
person.
She always slept with her limbo Elmo.
Singing it that Elmo song.
She loved red but her fav color now is green.
Drank orange juice every morning. She had three Elmo.
One on her bed. One on her keys and the other in her
heart.
She always loves that T.V show it was the key to her
heart.

Chorus:

He used to be her best friend. But as she was growing.
She didn't like him anymore.
When he was on her last nerves she killed him.
Yea she killed him. She killed him.
And I screamed to the world she killed Elmo.
Damn she killed Elmo. Damn she killed Elmo.
She killed Elmo. Damn she killed Elmo (3x)

Verse:

She was like the first person to have the tickle me Elmo.
He was her prince. She loved that red Muppet.
I swear she saw the adventures of Elmo in grouch-land
More than 20 times. I call her 20x. Or reddy.
She had hokey pokey Elmo.
All she wanted was that 3 yr old red Muppet.
Before she cracked.
One day at night she woke up screaming "Elmo don't
do this I love you. I can never live without you."
What happened I don't know, I will never know.
She flushed Dorothy, her goldfish.
Bringing down every red pic on her wall.
Creating a Facebook page called the end of Elmo.
Destroying all sesame street D.V.D.
Damn that girl is crazy Elmo got...

Chorus:

He used to be her best friend. But as she was growing.
She didn't like him anymore.
When he was on her last nerves she killed him.
Yea she killed him. She killed him.
And I screamed to the world she killed Elmo.
Damn she killed Elmo. Damn she killed Elmo.
She killed Elmo. Damn she killed Elmo (3x)

Verse:

Screaming I will never see him on T.V.
Moving away from sesame street. Burning all Elmo
dolls.
Biting of his hand. Sending me pics of Elmo hunting
her.
She said he got a gun. Well I gotchu.
Now she calls her self a monster.
She got all the power. Breathing fire.
She took away his soul in less than an hour.
