If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
Pay me... you need to pay me
Pay me... you need to pay me
Pay me... like you was Ami
Here's my number girl later you can AIM me

[SCOOBY Verse 1]

If you're a broke (broke) then just go home
200 bars off the streets straight to the dome
Smellin' like my diamonds wit' my White Rock cologne
Walk into the club, got my whole crew on
Walk right out the club I got her whole crew on... me...
HA!
Walk to the ride, 'bout to take a spin
She was so fly; I thought she'd grow wings
Millionaire Music, we killin' this thing
I'm higher than the clouds; I'm livin' in my dreams
But we cool, it's all good
I'm makin' bank shots just like John would

[SCOOBY Hook x2]

If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
Pay me... you need to pay me
Pay me... you need to pay me
Pay me... like you was Ami
Here's my number girl later you can AIM me

[SCOOBY Skit]

If you aint got no money
No paper, you aint got no altitude
You aint higher than your competition
The world is your competition
And if you aint got that, then
That's it, it's over, K-O, Let's go

[SCOOBY Hook x2]

If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
Pay me... you need to pay me
Pay me... you need to pay me
Pay me... like you was Ami
Here's my number girl later you can AIM me

[SCOOBY Verse 2]

My flow's called priceless
Up all night hommie you know I work the night shift
I'm on the line of lifeless
But I'm still the highest
I got wings, BÂ—ch they call me the flyest
I'll give you the whole board
More board, better than no board
I aint a showoff, but I like to show boat
Strike 3, 3rd strike, look at the score board
Ah, ah, ah, ah, ah, call me on my Samsung
Call me on my Mobile
Txt me on Virgin, AIM AT&T
Her friends and me, they, she, and me
We be havin' dreams, they be losin' theirs
We be lauphin' at 'em 'cause of their broke ass banks

[SCOOBY Hook x2]

If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
If you're a broke (broke) then pay me in Monopoly
Pay me in Monopoly, Pay me in Monopoly
Pay me... you need to pay me
Pay me... you need to pay me
Pay me... like you was Ami
Here's my number girl later you can AIM me
