I got my Gloves On
Hat On, Royal Elastics
I got my Game On
Bling on my fingers
I got the diamonds
On my earlobes
High Low It doesn't matter
Cause I'm single
Free though
On another level that you can't beat
Push me, You can't control me
Cause I'm feeling so good now
It doesn't matter
And I'm killing this beat
Like my alma mater
I got me look'n
Fresh so clean
Bump'n to the beat, beat, beat

I see you walk'n
And look'n, like a danger (danger)
What a girl like you
Doing out without a soldier
Word around town
Is your look'n for a rebel like me
To be treated like a rebel in deed

We makn music at the beat shop
This Is my music at the beat shop
Miracles happend at the beat shop

When I'm Shining
When I'm down
When I got my blood boiling
Come on down
Express what I'm feeling in a song
I got the new kicks
Matching suspenders
And I'm rolling in my black jag
Bump'n to MJ
And I'm sippn on my Rock Star
Update my FB on my celly

And I feel good trigger shoot
On another level that u can't beat
Test me u try to push me
But I'm ok lookn for a pussycat kitty kat
I walk out the house with my fedora hat u like that
