Its Over 3:52

Album JukeBox45

Artist Ryan Pugal

written by Ryan Pugal

How i never knew
I would never be
Right here with you,
Right here with me
The chimney, The fire is burning
Your not here with me, No more

And i know you, and you know me
baby i loved you baby you loved me
no more, no more, no more

Tell me why you crying
you wanna stop the fighting
but you dont understand the meaning
of every word that ive been saying
no reason for me saying
baby that i love you
oh baby that i need you
so wipe your tears from crying
face to face we saying bye bye
and if we only had it just another way
these last words that i say
i will always love you

Oh,Oh, Oh,Oh Oh,Oh ooh, woo,ooh,woo

And i cant explain
i cant convey
no words to say
its spinning me
its like im drowning, im falling,
im yearning, feeling for your touch
i miss you so much
i cant believe its over
No i cant believe its over
How we could of had a good thing
baby why your crying

you wanna stop the fighting
but you dont understand the meaning
of every word that ive been saying
no reason for me saying
baby that i love you
baby that i need you
so wipe your tears from crying
face to face we saying bye bye

Oh,Oh, Oh,Oh Oh,Oh ooh, woo,ooh,woo

I cant believe its over.
I cant believe its over.Over...

Tell Me why your crying
you wanna stop the fighting
but you dont understand the meaning
of every word that ive been saying

Its Over, Its Over, Its Over
