I sit here
And ask myself, why
I'm drowning in my tears
And the thought I might loose you
Is driving me insane
Is driving me so crazy

Now I ask myself
Now what am I gonna do
Will I make it
Can I make it without you
And I can't believe
It's over and I can't believe were through
And I find myself
Over and over thinking about you

About you, about you
Think, thinking about you
About you, about you
Think, thinking about you
Think, thinking think, thinking
Think thinking about you

Woh Woh ooh Woh
I don't wanna
Runaway, I don't wanna hide away
Cause everytime I think about it
I don't wanna think about it
But everytime I think about it
It gets harder and harder
It just wont stop
Now my heart is aching
Baby I'm asking nere is this love, love
Baby tell me it's real
Cause I can't take it anymore

I sit here
And ask myself, why
I'm drowning in my tears
