Sometimes I wonder,  
Will I ever find her,  
And times I wonder,  
Is she really out there

A One for me,  
Who will care for me  
I wanna be loved by someone  
I wanna wake up to someone  
I wanna be free

When I fall In love  
I'll know,  
Cause I really want love

Sometimes I wonder  
Is there really true love  
The kind you see,  
On the movie screen

And I, I want for me, oh  
To be happy,  
I wanna be loved by someone,  
I wanna be free

When I fall In love  
I'll know,  
Cause I really want love

Cause I've been hurt  
So many times before  
And I don't understand  
You promised to stay  
And promised to love  
I gave you my trust  
But still you walked away

When I fall In love  
When I Fall In love,  
I'll know,  
Cause I really want love

Ooh,  
I fall,  
Sometimes I wonder
