Rely on me to supply your needs from now on  
Shelter you and be a pillar to lean on  
For in your eyes I see what I was born to be

And now, now my life can begin  
For I am your man  
Oh yes, I am, yes I am  
I'm your man

There's no sacrifice great or small I wouldn't do  
See my ambition is, is bringin' happiness to you  
And if trouble comes our way  
I won't run, I want us to stay

Right by your side, see that's where I'm gonna stay  
For I am your man  
Oh, yes, I am, little darling, little darling  
I'm your man

My proudest days are through  
Wanna be someone you can look up to  
Someone who can protect  
Oh, someone who you can respect

Oh, I just wanna make myself worth it  
Of the precious, precious love I know you be givin' me  
Yeah, I want nothin' more for myself  
Your love is my greatest wealth

And when you take my hand  
And when you take my hand  
You will proudly say, "Oh, this is my  
man"  
Oh, yes, I am, little darling, little darling  
I'm your man

Oh, oh, oh, baby, baby, yeah, yeah  
I'm your man, baby, oh, oh, oh  
Oh, baby, baby  
I'm your man
