I'm looking for a love, I'm looking for a love
I'm looking for a love, I'm looking, I gotta find a love

I'm looking for a love, I'm looking for a love
Said I'm looking here and there, I'm searching
everywhere
I'm looking, I'm looking, I'm looking, I'm looking
Oh, looking for a love to call my own

Someone to get up in the morning and rub my head, oh
I'm looking for a love to call my own
Someone to help me cook the breakfast, then go right
back to bed
I'm looking for a love to call my own

Yeah, someone to help do the house work and then
make love again
I'm looking for a love to call my own
I say with lots of love and kisses and be the best of
friends
I'm looking for a love to call my own

I'm looking for a love, I'm looking for a love
Said I'm looking here and there, I'm searching
everywhere
I'm looking, I'm looking, I'm looking, I'm looking
Oh, looking for a love to call my own

Yeah, someone to get up in the morning and rub my
head
I'm looking for a love to call my own
Someone to help me cook some breakfast and go right
back to bed
I'm looking for a love to call my own

I'm looking for a love, I'm looking for a love
Oh, I'm looking here and there, searching everywhere
I'm looking, I'm looking, I'm looking, I'm looking
Oh, looking for a love to call my own

I'm looking for a love, I'm looking for a love
I'm looking for a love, I'm looking for a love

I'm looking for a love, I'm looking for a love
Oh, I'm looking here and there, searching everywhere
I'm looking, I'm looking, I'm looking, I'm looking
Oh, looking for a love to call my own

I'm looking for a love, I'm looking for a love
Oh, I'm looking here and there, searching everywhere
I'm looking, I'm looking, I'm looking, I'm looking
Oh, looking for a love to call my own

I'm looking for a love, I'm looking for a love
Oh, I'm looking here and there, searching everywhere
I'm looking, I'm looking, I'm looking, I'm looking
Oh, looking for a love to call my own
