[Big Punisher]

Aiyyo I'm hard to talk to, if you live I probably thought
you stalked you

where you walked to at night, caught you then tried to
extort you

New York niggaz is trigger happy, got Pataki scared
This town ain't big enough for both of us AND I AIN'T
GOIN NOWHERE

There it is, plain and simple like Jigga my game is
mental

While slow niggaz better know I blow their brains out
they temples

I'm into black magical torture romantic dramatical
author

Compatible with the average New Yorker

A fast talker, like Tony when he gassed Sosa

The masked enforcer, out for the cash and the cho-cha
Smash the coca, bottle it up watch the fiends gobble it
up

If I roll up, you do what? Swallow the stuff

I don't give a fuck anymore, I'm only twenty-four years
old

and I've already broken every law

I'm horrorcore, this is for the heads

Runnin up in your crib, knot if you still hot in under the
bed

[Chorus: Busta Rhymes]

Yo, parental discretion advised, please cover your eyes

Little kids -- GET OUT OF HERE!!! This shits is homicide!

Drugs and money, this ain't no Bugs Bunny!

Little girls too; this ain't for you it's for the thugs honey!

[Big Punisher]

Hey yo my shit's the truth, 150 proof no question

Parental discretion advised, keep out the eyes of the
youth

It's too explicit, bullshit! I challenge the statistics

Violence existed before our music was even suggested

Arrested on sight, it's like there's no rights

That's why I rhyme so aggressive and bring every

message to life
I fight the power, spite the power the 90 percent
Keep 10 and feed Twin half for personal reasons
The seasons change.. things re-arrange, but I stay the
same
Play the game, for the wealth, until I've made myself a
name
So blame it all on the gangster rapper, thanks to Joey
Crack
for the chance to do it my way like Frank Sinatra
I ain't a actor so it's all facts, strictly raw rap
Totally intended for yours dressed in all black
with the ski mask, or the pantyhose makin cameos
in liquor store cameras with the twin Calico's

Chorus 2X

[Big Punisher]
So forget the boom, one look, you shook -- you know
I'm stickin you
Liftin you off the ground, look down -- that's where I'm
puttin you
Look in my eyes and remember me, how does it feel
mentally
havin the enemy be the last thing you ever see?
The recipe is death and I'm the chef, fricasee in your
flesh
Be my guest, but I ain't cleanin the mess
Me and TS we testin niggaz faith, just to see they face
expression when destined to states, that death be in
the case
I'm in the state of grace, in the hated race, by the
pagan face
Couldn't fight us, made a virus, gave us AIDS
I paint the wake cause they ain't get me yet, wet me
or reflect me yet, I know they comin they just tryin to let
me sweat
I wreck it like when I was just a boy, eatin Chips Ahoy!
Wasn't allowed to raise my voice, now I'm makin noise
No more toys, strictly Mac's and missiles, shorties with
forties
packin pistols catchin bodies make sure we'll get you
So they say, I pray there's a better way
My kids don't do as I do, they do as I say, cause daddy
don't play

Chorus 2X

[Busta Rhymes]
Word is bond
One thing about MC's is that we don't conceal the truth

We present real pictures about the positive and the
negative
So don't blame the hip-hop when your seed is learnin
the real life from us
Do your duty at home and raise your child in the house
Parents...
You don't do your job we gonna put your children to
bed at nine o'clock
Past your bedtime
You get your ass in bed you ain't 'posed to be hearin
this shit
Word up
Punishment motherfuckers!
By the Punisher, and Busta Rhymes, hah
Terror Squad! Flipmode Squad niggaz!
