I walk with a smile on my face,  
I'm walkin' all over the place,  
I feel like there's nothin' that can bother me at all.

I whisper "hello" to a girl,  
She offers to give it a whirl,  
Holdin' hands, we stroll along the way,  
Say, I like how I feel  
As long as I am falling in love.

I put in a long day at work  
And I can feel everything hurt,  
When suddenly there's a pair of eyes lookin' at me.  
And even before I can think,  
She offers to buy me a drink,  
Oh how beautiful a laugh can be,  
See, I like how I feel  
As long as I am falling in love.

I don't mind the afterwards  
When lovers get much closer.  
As long as I keep falling down  
With no weight on my shoulders.

I love when my happiness soars  
And destiny opens the doors,  
My world is completely filled with possibilities.

For even a brush past my skin  
And I can feel something within  
Quivering, delivering a sigh, oh my,  
I like how I feel  
As long as I am falling in love.
