One size fits all it's a timeless design  
I made us all, so it's me to define  
Who's set, and who's meant to be left behind  
my monster... I guess I dropped her

If you are planning the great escape  
If you are trapped on a planet of apes  
Just face the fact that it's hopeless to fake  
I'll get you, before I've met you

Ref:

I can get you so high  
Can get you so high  
Got a lifetime guarantee, baby  
I can get you so high  
Can get you so high  
Got a lifetime guarantee, baby

I'm here to stay as a matter of fact  
I'm here gonna take all my criminals back  
Jump in, we'll see how civilians act  
No fuzz, though  
I'll never let you go

If you are missing the big surprise  
If you are lost in the dark of the night  
If you could never do anything right  
Not meant to? Oh, have I told you?

Ref:

I can get you so high. Can get you so high  
Got a lifetime guarantee, baby  
I can get you so high. Can get you so high  
Got a lifetime guarantee, baby

Lalalalalalalalalalalala  
Lalalalalalalalalalalala  
Lalalalalalalalalalalala  
Lalalalalalalalalalalala

You can be a star on a planet in the milky way

Get as far as the guy upstairs who's had his day  
Buy his speech, but make sure you've got nothing to  
say

Solution: Make no conclusion

Ref:

I can get you so high. Can get you so high

Got a lifetime guarantee, baby

I can get you so high. Can get you so high

Got a lifetime guarantee, baby
