I will not dance with you no more  
My legs, my feet, my face is so sore  
I have been loving you so long  
But I have been loving you so wrong

I hold on to you  
As you hold on to me  
I'm afraid to call  
To wait there for you  
As you've waited for me  
I'm afraid to call

I will not touch with you no more  
My lips, my face, my back is so sore  
So tell me who you'd rather be  
Befalling you the king and me

To hold on to you  
As you hold on to me  
I'm afraid to call  
As I wait there for you  
As you've waited for me  
You're afraid to call

Here in my room  
On the floor  
With a blade in your hand  
I see you bleed  
You'll always bleed  
The numbered days are on your skin

As I hold on to you  
As you hold on to me  
I'm afraid to call
