Chorus:

Oh how I miss you  
Wish I could kiss you  
Hug you, hold you  
It would be bliss to  
Look in your eyes,  
See they mesmerize me  
And leave me with nothing to fear

When I see you beside me  
The whole world disappears.  
I wanna be your one and only.  
I want to share your hopes and fears and cares and  
laughs  
And all your dreams, and everything between  
If you would let me be the one.

Chorus:

Oh how I miss you  
Wish I could kiss you  
Hug you, hold you  
It would be bliss to  
Look in your eyes,  
See they mesmerize me  
And leave me with nothing to fear.

Well I knew when I saw you that we would always be.  
And it's true that I love you,  
With everything you hear and see.  
And feel and know how could you leave  
I'm not a fool but I believe, fairytales happen  
sometimes.

Chorus:

Oh how I miss you  
Wish I could kiss you  
Hug you, hold you  
It would be bliss to  
Look in your eyes,  
See they mesmerize me  
And leave me with nothing to fear

With nothing to fear.

Chorus x3:

Oh how I miss you  
Wish I could kiss you  
Hug you, hold you  
It would be bliss to  
Look in your eyes,  
See they mesmerize me  
And leave me with nothing to fear

Whoa, yea. oh, look in your eyes see, they mesmerizes  
me and leave me with nothing to fear.
