I've got your picture
I know your song
I sing it to myself
When they drop the bombs
I know you love me and I'll be strong
You see it's so hard to fight
When you know it's wrong

Hey, hey head of state send me home
Take that freight back where I'm from
Wake me up
I wanna lie by your side
I wanna see you when I open my eyes

Under the same sun
We're under the same sun
Under the same sun
We're under the same

Somebody's son
Somebody's son

The note you wrote I memorised
I say it to myself when they light up the sky
Endure your pain and you'll be strong
We can only pray that it won't be long

Hey, hey head of state send me home
Take that freight back where I'm from
Wake me up
I wanna lie by your side
I wanna see you when I open my eyes

We're under the same sun
We're under the same sun
Under the same sun
We're under the same

Somebody's son
Somebody's son
Somebody's son

Somebody's son
