How do I sit back and think of my memories.

How I Use Pray wit my guarantee. I use to  
cry wit my dad's tears in his eyes. I never know.  
you can change your on memories. I never say  
thank for what god give me. I never felt lonely  
these pass days. I could belive she couldn't  
looking in my eyes. I couldn't believe she didn't  
cry one tear a bit. I couldn't believe she didn't  
miss me these pass days. I can't believe I was  
doing all of this. I couldn't believe she forgot  
a about me. Howcome, She didn't give a kiss.  
Howcome she didn't say anything to me. Howcome  
she didn't leave me the keys.  
I couldn't she couldn't look me in my eyes. I  
couldn't believe she left me in the middle of  
the night. I couldn't believe I didn't get my  
last kiss.  
All as now I'm just thinking of my  
memories.
