Tell me all the places we could go
And tell me are you famous yet
Tell me all the faces we should know
And tell me are you comforted
Wrong way down
And everyone was watching us
But you are way too proud
Wrong way out
Everyone was calling us
But we were way too loud

Tell me allt he places we should go
And tell me are you comforted
Tell me all the faces we should know
And tell me are we famous yet
Wrong way down
We should build a castle
A castle in a cloud
Wrong way out
Everyone was calling us
But we were way too loud
Oh... oh... oh...
Tell me all the places we could go
And tell me are you famous yet
