Oh, if you really love me, won't you tell me, yeah
Oh, if you really love me, won't you tell me, yeah
So, I won't have to be hanging around

You call my name, ooh so sweet to make your kissing
complete
When your mood is clear, you quickly change your
ways
Then you say I'm untrue, what am I supposed to do
Be a fool who sits alone, waiting for you

Oh, if you really love me, won't you tell me, yeah
Oh, if you really love me, won't you tell me, yeah
So, I won't have to be hanging around

I see the light of your smile, calling me all the while
You are saying, "Baby, it's time to go"
First the feeling's alright, then it's gone from sight
So I've taken out this time to say

Oh, if you really love me, won't you tell me, yeah
Oh, if you really love me, won't you tell me
So, I won't have to be playing around, playing around
Playing, playing around, playing around
I won't have to be no, no, no
I won't have to be playing around
