Hello, my love
Let's sit and talk
About what's been troubling you
About the night I was so wrong
The price that I paid was so strong

So much fun can be bad
Then why are you sad
I know what I did
Let love now forgive

The body you saw
It was not my own
And if it was lie
It was unknown
But how can you see
A prince on a frog
The fairy tale's far from gone

And if your trouble should stay
I'd scare them away
Your night has now come
Love be hiding one

So much fun can be bad
Then why are you sad
I know what I did
Let love now forgive
If trouble should stay
I'd scare them away
Your night has come love
Be light and be one
