Have you heard the voice of hunger?  
have you answered the cry of the poor?  
have you seen the face of your brother?  
have you held his hand?

look around and you'll see  
christ jesus in you and me  
rebuilding lives with dignity  
in peace we come in unity

chorus:  
one hope, one dream  
one life, one people of god  
one home, one vision living as one

we go hand and hand together  
creating a new world  
building nations together  
weaving all our dreams  
standing side by side together  
we shall never fall  
god's light shining in love

bridge:  
i am the voice of new beginning  
seeking, believing and restoring in love  
fighting together we conquer  
god's people, we deliver

(repeat chorus)  
living As One
