We spotted the ocean  
At the head of the trail  
Where are we going  
So far away  
And somebody told me  
That this is the place  
Where everything's better  
Everything's safe

Walk on the ocean  
Step on the stones  
Flesh becomes water  
Wood becomes bone

And half an hour later  
We packed up our things  
We said we'd send letters  
And all those little things  
And they knew we were lying  
But they smiled just the same  
It seemed they'd already  
Forgotten we'd come

Walk on the ocean  
Step on the stones  
Flesh becomes water  
Wood becomes bone  
(X2)

Now  
We're back at the homestead  
Where the air makes you choke  
And people don't know you  
And trust is a joke  
We don't even have pictures  
Just memories to hold  
That grow sweeter each season  
As we slowly grow old
