Sweet Emotion
Sweet Emotion

You talk about things that nobody cares
You're wearing out things that nobody wears
You're calling my name but you gotta make clear
I can't say baby where I'll be in a year

Some Sweat Hog mama with a face like a gent
Said my get up and go musta got up and went
Well I got good news, she's a real good liar
'Cause the backstage boogie set your pants on fire

Sweet Emotion
Sweet Emotion

I pulled into town in a police car
Your daddy said I took it just a little to far
You're telling me things but your girlfriend lied
You can't catch me 'cause the rabbit gone died
Yes it is

You stand in the front just a shakin' your ass
I'll take you backstage, you can drink from my glass
I talk about somehting you can sure understand
'Cause a month on the road an' I'll be eating from your
han
