You say one thing then you do another  
You've got it all wrong so you blame it on your mother  
You're kickin' the dog cause you can't get the cat  
You know it ain't cool but you like it like that

Everybody talkin' 'bout what it is what it ain't  
Kiss on the devil and you piss off a saint  
But it can't be love if you don't have to crawl  
You say you don't need nothin' but you've got to have it  
all

I wanna know... what kind of love are you on?

Jelly roll Jane, rollin' on the rug  
Token' on a lover like a brand new drug  
Do the same thing every damn day  
Do the same thing, do the same thing  
Never seem to get enough

I wanna know... what kind of love are you on?  
I've got to know... what kind of love are you on?

When Jack took Jill up that hill  
She charged his ass a quarter  
Well he flipped his lid, uh, cause what she did  
Oh, she shouldn't hadn't oughta...

Rockin' in a cradle with a high school vamp  
Screamin' at a homey like an old tube amp  
Up, down, sideways, goin' in and out of phase  
Everybody asks me why I kiss the girls and make them  
cry

I wanna know... what kind of love are you on?  
I wanna know... what kind of love are you on?  
I've gotta know... what kind of love are you on?
