I turn my first step
on the black and white kitchen floor
I sometimes wonder if that house
is even there, anymore
I had my first glimpse of love
when I was 5
I watched two people split apart
but still the three of us survived

Iâ€™ve seen the best
Iâ€™ve seen the worse
I wouldnâ€™t change what Iâ€™ve been through
Iâ€™ve touched the sky
Iâ€™ve hit the wall
but I did what I had to ohhhh

CHORUS:
on my way here
where I am now
Iâ€™ve learned to fly
and have to walk to leave the ground
Iâ€™ve fallen hard
but Iâ€™ve been loved
and in the end it all works out
faith has conquered fear...
On my way here. Oh yea yeaaa

My address has changed
almost every year
I found that standing still
can quickly make a lifetime disappear
I rather try to fail a thousand times denied
and this will never you thinking
lets me know that youâ€™re alive
Iâ€™ve been a fool
Iâ€™ve been afraid
and Iâ€™ve been laughed and lied to
I have grown and Iâ€™ve been rate
and I stood up when I had to
yea yea ahhh

on my way here

where I am now
Iâ€™ve learned to fly
and have to walk to leave the ground
Iâ€™ve fallen hard
but Iâ€™ve been loved
and in the end it all works out
faith has conquered fear...
On my way here.

No guarantees but I believed
that I would find
an open door
an open light
to lead me to the other side
I guess that is why
on my way here where I am now
Iâ€™ve learned to fly
and have to walk to leave the ground
Iâ€™ve fallen hard
but Iâ€™ve been loved
and in the end it all works out
faith has conquered fear
on my way here...
