Is it possible maybe to have a love so strong  
That nothing could ever compare  
I'm holding back nothing just for the look in your eyes  
So baby don't be surprised

Well I want to know what makes your world go round  
And I want to hear your voice for the sound  
A love that defines all I've had in mind  
Now I'm holding back nothing for the look in your eyes

\*small guitar break\*

Impossible, maybe, but worth one last try  
I'm waiting on your reply  
I'm sitting here patiently just for the chance that I might  
be able to hold you tight  
And I want to know what makes your world go round  
And I want to hear your voice for the sound  
A love that defines all I've had in mind  
Now I'm holding back nothing for the look in your eyes  
Now time is all that we have  
So won't you let me inside your perfect world for one  
night  
Just open up for me  
Girl I swear that I will be everything you've ever thought  
a man should be

And I want to know what makes your world go round  
And I want to hear your voice for the sound  
A love that defines all I've had in mind  
Now I'm holding back nothing for the look in your...

I can see the way you're lookin' back at me  
Oooh... Could it be that you see what you want to see  
Just let your eyes believe it  
I'll never lie to you, in my arms you will be, forever and  
I...  
I'm holding back nothing for the look in your eyes  
The look in your eyes... \*guitar fades out\*
