I've got a man in Shreveport, he's forever on my mind
I've got a man in Shreveport, he's forever on my mind
When I lay down at night, he bothers me all the time

He's a long tall papa, live mostly on Texas Avenue
He's a long tall papa, live mostly on Texas Avenue
And if I don't get that man, I'll forever have the
Shreveport Blues

He's a sweet lovin' man, one that knows his stuff
He's a sweet lovin' man, one that knows his stuff
Takes me in his arms so easy, he's not a bit rough

I never get tired of lovin', cause he's got all I need
I never get tired of lovin', cause he's got all I need
I want my lovin', ten or twelve times a week

Shreveport Shreveport, Shreveport where is my man?
Shreveport Shreveport, Shreveport where is my man?
Shreveport Shreveport, Shreveport where is my man?
