Danny doesn't like the things we do but that's OK.
Danny's having troubles at home and that is why he
acts

This way.

Danny tries to pick a fight with everyone he sees.
This is Danny's way of showing off his masculinity.

Whoa Oh, Whoa Oh Oh OH.
Danny you don't have to far to go.
Whoa Oh, what can I say.

Danny's problems happen every day,
Happen every day.

Danny likes to hurt his peers he likes to make them cry.
Danny likes to pass on all the pain that he has felt
Inside.
Mom and Dad are getting really sick of Danny's games.
Danny causes mischief and his parents get the blame.
