Chorce

Stop look back at the past cause life must go on think
about the future cause the world aint gonna stop for
you it gonna keep spinning cause life muse go on

Verse1

Let me tell you a little story that I know everybody has
to die and everybody has to live that the way it has to
be god work in ways you can't see so don't wait for
death move on with your life cause life wont wait for
you it waits for nobody and that the turth and no lies
over here and your never know when death is near so
you got to continue life with no fear

Chorce

Stop look back at the past cause life must go on think
about the future cause the world aint gonna stop for
you it gonna keep spinning cause life muse go on

Verse2

Life must go on like the number line don't stop it cause
bad thing go on in life cause you never no when it will
get good in the end and if god haven't call you yet then
you got to keep it hood cause once life over there no
coming back so don't give your life up on some dumb
shit besize killing yourself is a sin can I get an amen
don't yall agree if yall do then god must be with you if
don't then I have nothing to say to you cause your evil
the devil already got you and no turning for the turth
cause you already showed the proof
