Hey you, with your head held high
In-bred on the 4th of july
Hey you, situation low
Burnt down everything you know

Shut it!

I said you, did your nation pride
Born dead on the 4th of july
I said you, sitation low
Burnt down everyone you know

Cause I just talk to bitches who always deny
Cause I just fuck on a page of your bible

May day!
I don't feel alive
May day!
'cause I was born in america on the 4th of lies
Oh my!

Shut it!

I said you, with your breast-fed lies
Your mother's cunt is open wide
I said you, crawling backing low
Burn down everyone you know

Cause I just turn all those bitches always alive
See this porno's based on survival
May day!
I don't feel alive
May day!
'cause I was born in america on the 4th of july
Oh my!

Fuck your history - buried in lies
Fuck your history - buried in lies
Fuck your history - buried in lies
Buried alive
Bury the lies
Reclaim your life

Bury the lives
Barely alive

Take your Bible - burn it alive!
Take your money - burn it alive
Take your life and burn it alive
Buried alive
Barely alive
Buried in lies

May day..

Barely alive on...
