Hey you, with your head held high
Inbred on the 4th of July
I said you, situation low
Burnt down everything you know
Shut it

Said you, did your nation pride
Born dead on the 4th of July
I said you, situation low
Burnt down everyone you know

'Cause I just turn to bitches who always deny
'Cause I just fuck on a page of your bible
Mayday, I don't feel alive
Mayday, 'cause I was born in America on the 4th of July
Alright

Said you, with your breastfed lies
Your mother's cunt is open wide
I said you, crawling backing low
Burnt down everyone you know

'Cause I just burn these bitches who always deny
You see this pornos based on survival
Mayday, I don't feel alive
Mayday, 'cause I was born in America on the 4th of lies
Alright

Fuck your history buried in lies
Fuck your history buried in lies
Fuck your history buried in lies
Buried alive, barely alive

Buried alive, buried in lies
Buried alive

Take your bible, burn it alive
Take your money, burn it alive
Take your life and burn it alive
Burn it alive, burn it alive
Burn it alive

Said
Mayday
Mayday
Mayday

Said
Mayday
Mayday
Barley alive on
