I cut myself

I cannot stand this body in this promise land

Calling out for remedies in family seminars
So wouldn't you, wouldn't you
Let your country die here?
Wouldn't you, wouldn't you
Settle down?
We're living in stereo

We're shooting in the discos
Oblivion stereo

We're shooting in the discos
Seminars in stereo
Seminars at the disco
Seminars in stereo
Seminars at the disco
We spend our lives give a fee meal

We wash but still we cannot feel

We sit here catatonic!
We carry all the homeless deals

Wouldn't you, wouldn't you
Let your country die here

Wouldn't you, wouldn't you
Settle down?
We're living in stereo
We're shooting in the discos
Oblivion stereo
We're shooting in the discos

We're just livin'

Oblivion stereo

Oblivion stereo

We're disco now
