This virus
Piss virus

I fuckin' hate you well I fuckin' hate myself
Tear me off these computer wings of cyanide
I cannot take myself, can't tolerate myself
Naked and napalmed in the schoolyard of benign

I don't know you and I don't really care to

We're the sedated in their celebration
Sell the slaves for their skin until it dries
I cannot take myself, can't tolerate myself
Beautiful servant you are perfect in demise

I come into this hole to get out of this

Piss virus inside us
Take the nation of millions divided
Piss virus inside us
Take the nation of millions divided again

Again
Again

Lead me to water so I can drain it
I hope all you necrophiliacs in California fucking die
I cannot take myself, can't tolerate myself
Sit and rape, sit and rape, sit and rape this life

It's in, it's out, get in get out of this

Piss virus inside us
Take the nation of millions divided
Piss virus inside us
Nations of the millions divided again

Divided again
Divided again

This piss virus, this virus
Piss virus inside us, get out inside us

Fucking cunt open wide
Let us bury it until you're alive again

Again
Again
