Sit back and open fire
With legs until desires
Sit back and open fire
Sit back and just retire

Sit back and open fire
Sit back and

Live in submission, live in a choice
It never meant that much to me
Without permission, without a voice
I only live when I can't breathe

We couldn't kiss, we couldn't fight
We couldn't wait for tomorrow
Without a fist, without a fight
We waited for no tomorrow

Sorry
I'm not sorry
Sorry to live my life this way
Sorry to let myself decay

Sorry
I'm not sorry
Sorry to live my life this way
Sorry to let myself decay

Sit back and open fire
Sit back and

It didn't kill us, the pleasure did
Infected from the things I did
Rip off the willing, rip off the tried
Slip in beds and open fire

Right now, let it be known
And right now just leave me alone
That it's too close for you 'cause it's too close for me
It meant nothing to you, it was nothing to me

Sorry

I?m not sorry
Sorry to live my life this way
Sorry to let myself decay

Sorry
I?m not sorry
Sorry to live my life this way
Sorry to let myself decay

Sit back and open fire
Sit back and

Right now
Just let them open fire
Right now
Just let them open fire

Right now
Just let them open fire
Right now
Just let them open wide

Right now
(Sorry)
Right now
(I?m not sorry)
Right now
(Sorry)
Right now
(I?m not sorry)

Sit back and open fire
