I live off poison and that's okay
'Cause I can't do what I couldn't do here
I lick the poison but I don't care
'Cause I'm bored and fucking scared

We can make the bombs, we can make them right
We can live your lives sink in dynamite, oh mine
We can get the knives at the liquor store
We can make the knives go nationwide, my medication
never lies

I live off drugs and that's a joke
I never know everything I took
Why can't I make your new year
Without a facial and a tear?

We can make the bombs, we can make them right
We can live your lives sink in dynamite

'Cause of 18 'cause of 18
'Cause of no life, did you know what I mean?
'Cause of 18 'cause of 18
'Cause of no life, did you know what I mean?

Don't do what you want
Don't do what you mean
Don't do what you want
Don't do what you mean

I got the man's disease in here
Can't look out no window
Got every eyelash hidden

We can make the bombs, we can make them right
We can live your lives sink in dynamite

'Cause of 18 'cause of 18
'Cause of no life, did you know what I mean?
'Cause of 18 'cause of 18
'Cause of no life, did you know what I mean?

Don't do what you want

Don't do what you mean
Don't do what you want, do out

Just get me outta here

The waiting 18, 18, 18, 18
Fucking waiting 18, 18, 18
Get out of here
