"Under The Robe"

If I could take this skin off I'd trade it for your riches
I'd just watch the sick turn into the witches
Well I sit and wait, a call of arms to the bodies
deceived
Well I just sit and wait, till your eyes believe in little
school

To S.O.S.

Paranoia pays for your freedom
Paranoia pays

Well I just sit and wait, everybody frees them
Just how does it feel?
'Cause I just sit and wait, everybody frees them
Till the body's healed

We don't need no more of your observations
'Cause we sit and hide under the robe
We don't need no more of your observations
We just feel alive under the robe

The liberation posted up the signs
And every girl in this fuckin' house is on the pill
I had to turn my fucking skin inside out just for you

Said sit and wait, thought you're gonna make some
Fuck pig like you
Said I'm the sick one baby
With the right abuse in little school

Well S.O.S.

Paranoia pays for your freedom
Paranoia pays

Don't read the signs, everybody frees them
The signs, everybody feeds them
The signs, everybody frees them
No sign

We don't need no more of your observations

'Cause we sit and hide under the robe
We don't need no more of your observations
We just feel alive under the robe

Paid for
Paranoia pays for your freedom
Population pays
Paid for

The S.O.S.

We're under robed that'll pay for freedom
We're under robed that'll pay for freedom
We're under robed that'll pay for, that'll pay for
That'll be the robe and pay for your freedom
Freedom, punish that pig
