Bed and a home
Dead trapped on the window lies
Know where to hide tonight?

The faces empty you were never alive
Touch too much to never know
You wanna lick some alcohol from the flies

Like a burning child I'll burn for you
And like a mourning child I'll die for you
But I will never

In the valley of the dogs
Are we crawling babies
In the valley of the dogs
Crawling
We can turn forever now
We can burn forever now

Saw you turning waving ready to spill
Know where they belong
Hey! do you know the bombs are out
It's the way you stalk the way you move
The way things keep going down
The ways you used to in the bar
Like a burning child I'll burn for you
Like a burning baby too like a burning child
Burnt to tell all the dreams that I set fire to

In the valley of the dogs
And all the dreams that I set fire to
In the valley of the dogs
Crawling
We can turn forever now
We can burn forever now
Riot...riot...riot
In the valley of the dogs
Riot...riot...riot
In the valley of the dogs
Gonna turn out gonna turn them out
Gonna move on murder turn it out
Gonna turn out gonna turn them out

Kill the dogs tonight
Will it
Turn me
