Dear someone have you ever wanted out
Of all this stressfulness, all the busyness
You could do without
Take all of your worries throw them away
Everyday should be a fun day
That's what I say

All I want is a dream life,
Life with the ones I love playing all day long
Laying back by the waterside,
With no where to go and the music on
All I want is my dream life to be my real life
How could that be wrong?
All we have is this life, so make it be what you want
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh

Dear summer, will you find your way back home?
I miss your golden kiss,
How you warm my spirit where did you go?
Take all of my worries and burn them up
Everyday will be a fun day
Unlock my handcuffs

All I want is a dream life,
Life with the ones I love playing all day long
Laying back by the waterside,
With no where to go and the music on
All I want is my dream life to be my real life
How could that be wrong?
All we have is this life, let's make it be what we want
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh

No I did no call in sick to work today
No I'm not out hanging out with my friends
It's no more wasting time on what I think I'm supposed

to do
My clock is standing still so...

I can have my dream life,
Life with the ones I love playing all day long
Laying back by the waterside,
With no where to go and the music on
I'm working hard for my dream life to be my real life
And that can't be wrong
All I have is this life, so I'm making it what I want
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh

All we have is this life, let's make it be what we want
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh

All we have is this life, let's make it be what we want
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh
All I want is a dream life, life
Oh oh...
