Ohhhhhhhhhh

Everything about you is a mystery to me

Girl, I cant seem to figure you out

I told you that I wasn't ready for a steady thing

But shawty you know how to break me down

I just got out of a relationship not long ago

And my ex girl really broke my heart in two

I told myself that I was gonna chill and take it slow

But something about the way you do the things you do

Is gonna-

Make me(fall in) love with you

Your gonna-

Make me(fall in)

Fall in love with you

Girl if you keep it up, Then im bound to give you my heart

Its just a matter of a time

Before You-

Make me(fall in)

Fall in love with you

No matter how im feeling you know how to read my mind

You always know what to do and say

(Girl its Crazy)

How you understand me like you know me all my life

Your better than a breeze on the brightest day

So babe

I cant fight it, I cant resist it(NO)

My heart melts whenever we kiss

And when your hands in mine

I feel like I can fly

And I never want to let you go

Cuz your gonna-

Make me(fall in)love with you

Your gonna-

Make me(fall in)

Fall in love with you

Girl if you keep it up, then im bound to give you my heart

Its just a matter of time

Before you-

Make me(fall in)

Fall in love with you.....  
Its gonna-  
Make me(fall in)love with you  
Your gonna-  
Make me(fall in)  
Fall in love with you  
(If you)  
Girl If you keep it up, then im bound to give you my  
heart  
Its just a matter of time  
Before you-  
Make me fall in love with you
