Started like a dream come true
just like living in
a fairytale for two
but I had to make one mistake
I put all my faith in you

I'll carry on
keep growing strong
one day at a time
moving on 'till I'm
back where I belong
I'll make it trough
it's all I can do
hold my head up high
pray that I'll get by
on my own

Don't go blaming this on me
I was everything you
wanted me to be
but it's just not right
when I fight with you
for a chance to be free

I'll carry on
keep growing strong
one day at a time
moving on 'till I'm
back where I belong
I'll make it trough
it's all I can do
hold my head up high
pray that I'll get by
on my own

I'll make it through
it's all I can do
hold my head up high
pray that I'll get by
on my own

That's the soundtrack of the movie "Svetlana's journey", dedicated to human's traffic
It's just an amazing song performed by one of the best singers in Bulgaria. Love you Maria â™¥
