Lord I worship you
Oh Lord I worship you
From the rising of the sun
Until the going down of the same
Oh Lord I worship you

Lord I praise your name
Oh Lord I praise your name
From the rising of the sun
Until the going down of the same
Oh Lord I worship you

You have given me liberty
To come and adore you
Bow down before you
And praise your name
And praise your name

I just want to lay before you
I just want to lay before you
I just want to lay before you
I just want to lay before you

Oh Lord I worship
Oh Lord I worship
Oh Lord I worship
Oh Lord I worship
I love you Lord

Lord I worship you
