I drive, and push
I drive, and push

I'm gonna try big city to get over you
I'm gonna drive you crazy ti'll i'm out of fuel
I'm gonna treat you baby;the way a big man should
I'm gonna treat you baby;the way a big man should

I drive, and push
I drive

The way you looked when i said; "I Love U"
The way you laughed when i said; "I cried"
The way you twist my situation baby you turn it up side
down.(2)

I'm gonna treat you baby;the way a big man should
I'm gonna treat you baby;the way a big man should
I drive,I push,I drive,I push,I drive

I'm gonna drive big city to get over you
I'm gonna drive you crazy ti'll i'm out of fuel
I'm gonna treat you baby;the way a big man should
I'm gonna treat you baby;the way a big man should

The way you looked when i said; "I Love U"
The way you laughed when i said; "I cried".(2)

I'm gonna treat you baby
(I'm gonna try big city to get over you)
(I'm gonna drive you crazy ti'll i'm out of fuel)(4)
