I say oooh
Yeah yeah I know...
You're finishing a start of an encore
I say ooohoooh
Yeah yeah I know...
We don't even think to ask for

Do you know what I know?
Take me away 'cause
'Cause now on our wounds are grown
And we can even get it more
(I know the unknown)
(I know the unknown)

I say oooh
Yeah yeah I know...
Finishing a start of an encore
I say ooohoooh
Yeah yeah I know...
We don't even think to ask for
... to ask for...

Do you know what I know?
Take me away 'cause
'Cause now on our wounds are grown
And we can even get it more
(I know the unknown)
(I know the unknown)

Do you know what I know?
Take me away 'cause
'Cause now on our wounds are grown
And we can even get it more
Do you know what I know?
You know what I know

You're trapped in the middle
You're stuck on the ground
You talk talk like an evil
That look into your eyes
Lalalalalalalala...
