Hey, baby, if you need a little lovin', call on me  
And if you want some kissin', call on me, baby  
No more lonely nights will you be alone  
All you got to do is pick up your telephone and dial

634-5789, 634-5789  
(Cause that's my number)  
634-5789, 634-5789

Hey, baby, if you need a little lovin', call on me  
And if you're beggin' me some good kissin', call on  
me, call me up, girl  
No more lonely nights, will you be alone  
All you gotta do is pick up your telephone and dial

634-5789, 634-5789  
634-5789, 634-5789

Call me baby, I'll be right there  
Just as soon as I can, wait a minute  
And if I be just a bit little late  
Well, I hope that you understand

634-5789, 634-5789  
(It is not too late)  
634-5789, 634, call me, baby  
(To call me on the phone, girl)

634-5789, 634-5789  
(Don't lose my number)  
634-5789, 634, call me, baby  
(Call me on the phone, girl)

634-5789, 634-5789  
(Use a dime, call me up, hey)  
634-5789, 634, call me, baby  
(Call me, baby)

(Put your hands on the telephone)  
634-5789, 634-5789  
(Put your hands on the telephone)  
(Call me on the telephone)

634-5789, 634, call me, baby  
(Call me, baby, that's my number)

634-5789, 634-5789  
(Don't lose my number, baby)  
(Call me on the telephone, baby)  
634-5789, 634, call me, baby  
(Call me right now, make that big call now)
